

Chitvan Jungle Lodge – Kanha National Park, India

Jal Suite Chitvan Jungle Lodge

Luxury Wildlife Camp At Kanha

About Chitvan Jungle Lodge

Chitvan is one of the most discreet of jungle and safari lodges in **India**. It blends into the surrounding landscape, while providing a stunning viewpoint for observing the area's wealth of wildlife. The surrounding hills are wooded, and the open grassland in front is interspersed with some **Sal** trees, whistling thorns, and some scrub. You will be captivated by this unspoiled corner of **Kanha National Park**, spread in about 14 acres of land.

Chitvan has a location about 3.6kms from **Mukki** gate of **Kanha National Park**, spread in 12 acres amidst a thick **Sal Forest**.

The property has a 240 degrees view of **Kanha National Park** and 120 degrees view of the **Maikal Hills**.

- » **Vayu Suites** spread in 750 sq feet, with very airy and open views.

Dining At Chitvan

Agni (Fire) is a multi cuisine restaurant, serving fresh farm food, with no refrigerator and microwave in the kitchen. You also have the option of sitting near the pool on the ground floor, to see the panoramic view of the **Maikal Hills** or on the first floor of **Agni**. With deep verandas on all sides to keep you in sync with nature, a bright place by day, and iridescent by night.

There are also outdoor dining opportunities and romantic candle-lit meals are possible at chosen locations for dining with nature.

All food ingredients used at **Chitvan** are purely organic. Vegetables such as onion, potato, cabbage, cucumber, tomato and cabbage are grown in the resort's own organic farm. There is also an orchard with mangoes, pomegranate, banana and other fruits as well as some important medicinal shrubs and trees.

Outdoor Dining

Looking Out At Kanha National Park

Facilities

Facilities include a **Swimming Pool**, Spa, 1.8 kms **Jogging Track** and an **Amphitheatre**. You can also experience activities such as farming, irrigation, ploughing, meditation, birding, pottery, milking of cows etc.

The accommodation is well camouflaged in the **Sal** and **Saj** trees, there is a plenty of food for the birds and **Languars** from guava, pomegranate and other fruiting trees. A quiet haven for the wondering minds is the **Meditation Room**, about 1100 feet away from main accommodation, it is surrounded by a water body which is a paradise for birds. Sit here and let the world take a back seat.

About 125 avian species have made **Chitvan** their home. Take a binocular, sit quietly in your courtyards, and observe the day in the life of birds of **Chitvan**. Flocks of **Egrets** display beautiful patterns while landing and taking off from trees close to you. Paddy bird in the paddy fields, **Crested Serpent Eagles** on the water body close by, **Kingfishers**, **Indian Rollers**, **Golden Orioles**, and **Minivets** are commonly seen.
