Activities

The charm of **Hampi** is irresistible and captures you on arrival simply because of its incredible landscape: an empire built amongst giant boulder-strewn hills. With hundreds of monuments, the ruins of Hampi tells a story of past grandeur and wealth from the beautiful temples, palaces and market streets to royal pavilions, elephant stables and royal baths; all decorated in magnificent architecture and intricate carvings. This is a landscape to explore. You can walk up the river to a group of secluded romantic rock pools to relax and cool down in the fresh water. Alternatively you can cross the river on a boat or coracle and swim in the large rock strewn sacred lakes.

Aside from exploring **Hampi's** famous ruins, by day you can go for wildlife safaris and nature treks in the **Deva Raya Wildlife Sanctuary**; as well as fishing, beach volley ball, river rafting, rock climbing and bird watching. Nearby, in the 12,000-acre animal sanctuary, you can spot **Wolves, Panthers, Hyenas, Foxes, Jackals, Sloth Bears, and Crocodiles**. A 15-minute walk through scrub and over rickety bridges will reveal some fantastic natural rock formations. Another option is to drive 5 minutes away from the resort to see hundreds of roosting birds, including **Egrets, Cormorants, Ibis, Open-Billed Storks, and Grey Herons**.
